

Your complete EMR choice

Receive Hospital & Health Care Facility Reports Electronically with HRM*

YES EMR software provides you with a complete comprehensive package

- Electronic reports delivered straight to a patient's chart in your EMR
- Faster follow up and earlier analysis of data - saving time and money on faxes or couriers
- An improvement in quality and efficiency - reports are sent to you as soon as they are ready
- Less costs on printing and filing

Focus on better patient care and take your practice to the next level with a complete electronic medical record with YES EMR!
